Subject: Approval of Transfer of Notice of Intention from Atlantic Richfield Company, to Shaw Environmental, Incorporated, Lime Peak Quarry (S/049/044) and Lime Peak Processing Area (S/049/045), Utah County, Utah

Dear Ms. Kaye:

On October 19, 2004, we received two completed Transfers of Notice of Intention of Small Mining Operations to transfer the Lime Peak Quarry (S/049/044) and the Lime Peak Processing Area (S/049/045) projects located in Utah County, Utah from Atlantic Richfield Company (ARCO) to Shaw Environmental, Inc. The Acting Director of the Division signed and executed the transfer documents on November 10, 2004. A copy of the signed and executed transfer documents are enclosed for your records. The Division hereby officially releases Atlantic Richfield Company from any further mining or reclamation responsibilities at these two sites.

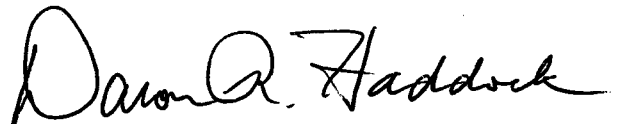

ARCO has posted a \$17,000 reclamation surety bond and a Reclamation Contract for each site. The surety was issued by Safeco Insurance Company of America (a total of \$34,000 for both sites). Shaw Environmental has replaced the surety; therefore, Atlantic Richfield Company's surety is hereby officially released. We have enclosed the

original surety bonds and original Reclamation Contracts to you for your disposal or return to the surety company.

Thank you for your help in finalizing this permitting process in transferring this project. It has been a pleasure working with you and your company. Please call if you have any questions or concerns regarding this letter.

Sincerely,
